Just a quick note to say thank you for the great coverage in the June edition of Vantage Point that arrived through the letterbox this morning. Also for running the competitions and the Jotting mention also. The team are going to be tickled when I send it through to them!

Claire, I would just like to say a big thank you for your visit to Orlando last year . You have been very helpful ensuring that our advert has been kept up to date .The results have been very positive and good value in my opinion. The comprehensive distribution around the Guildford area has really been very useful for our advertising campaign and probably one of the best we have run. Thank you Vantage Point!
